MEMORANDUM FOR: Deputy Director/Plans
FROM : Deputy Director Central Intelligence

At my meeting today with Ambassador he raised three subjects which he wishes to discuss more fully with us when he has his briefing meeting next week:

1. Whether it is worthwhile to continue to press the to work with us on paramilitary operations directed against the main target.
2. The overflight problem (this may be solely an Air Corps problem).
3. Evacuees from Bulgaria and our analysis of the value to be obtained from these evacuees and how much effort should be put in this side of the work.
